- Packages subject to availability and previous reservation. Unlimited Golf and consecutive days. Personal and non transferable.
- The first round can be booked in advance, the 2nd round will be subject to availability and must be booked on the same day of play upon arrival. (The second round must be booked one hour before the Twilight Offer. The customer may have the possibility to pay an "upgrade fee" of 20€ per person and round, to guarantee the tee-time of the second round)
- When the period of the reservation spans in two different seasons, the proportional part and conditions of each season will be applied.
- Any extras such as balls, clubs, etc., are not included in the price and are to be paid separately, also they will be limited to availability, previous reservation: weather conditions and 90° rule in the case of the buggies.
- Available for both courses: Los Lagos & Los Olivos (Other special offers are not included. All the other prices are for 18 holes).
- Please consult our maintenance plan, competitions calendar and rain policy at [www.mijasgolf.org](http://www.mijasgolf.org).
- \* Due to the limited availability of the Buggies' fleet, the buggy will be shared in both packages: matrimonial and individual when the booking is equal or bigger than 2 paying players (The odd player, obviously, will not share the Buggy). The first round of the buggy can be reserved; but on the extra rounds, the buggy will be limited to the availability of the day (we can not guarantee its use on the second round, for that reason in case of unavailability, it will be replaced by hand trolleys)
- \* Matrimony Packages: an identification with the same address will be requested or alternatively, a document that proves it.
- Rest of conditions, rules of play, etc... at [www.mijasgolf.org](http://www.mijasgolf.org)

The rates include VAT- Prices and Conditions subject to change without prior notice and/or due to the Covid19 Crisis.
